‘The world is one family’ is our Culture and Tradition

As descendants of Jagat Janani Maa Umiya, the boundless grace of Goddess Maa Umiya is enormous on us. Goddess Umiya has blessed us with abundant comfort, prosperity and happiness and because of that only, we are successful in creating a unique identity as patidars around the world in the field of Education, Health, Trade, Commerce. Many of us have settled far away from their homeland and occupied various prestigious positions in various fields like religion, social, health and education.

Vishv Umiya Foundation is an initiative by the Patidar Community that came into force with the blessings of Maa Umiya, the goddess of the Patidar community. It is a charitable and humanitarian consortium that aims to unite the Patidar community worldwide under the principles of faith and reverence for Maa Umiya.
